## 5. BRIEF INFORMATION ON HONG KONG

### Population & Languages

More than 6.7 million people live in Hong Kong. Almost 96 per cent of the population are Chinese. The official languages are Chinese and English, with Cantonese the most widely spoken Chinese dialect. Use of Putonghua is growing.

### Weather

Spring (March to mid-May)

Temperature and humidity rise gradually in spring. Evenings can be cool but lightweight jackets will suffice. The average temperature ranges from 18°C - 27°C (64°F - 80°F), humidity about 82 per cent.

### Getting around

The underground Mass Transit Railway (MTR) system (Route map at Annex I), numerous bus routes, a network of railway - Kowloon Canton Railway (KCR) and Light Rail (LR), trams and ferries, and taxis ensure that getting around town is quick, comfortable and easy.

### Banks

Major banks are open from 9am to 4:30pm Monday to Friday, and 9am to 12:30pm on Saturday.

## 5. BRIEF INFORMATION ON HONG KONG

### Shops and Offices

The vast majority of shops are open every day from 10:00am - 7:00pm. Exceptions are stores in busy retail areas like Causeway Bay (Map of Causeway Bay at Annex II) and Tsim Sha Tsui which stay open even later, perhaps until 9:30pm or later. Those in Central, usually close their doors by 7:00pm. Office hours are weekdays 9:00am - 5:00pm, and Saturdays 9:00am - 1:00pm.

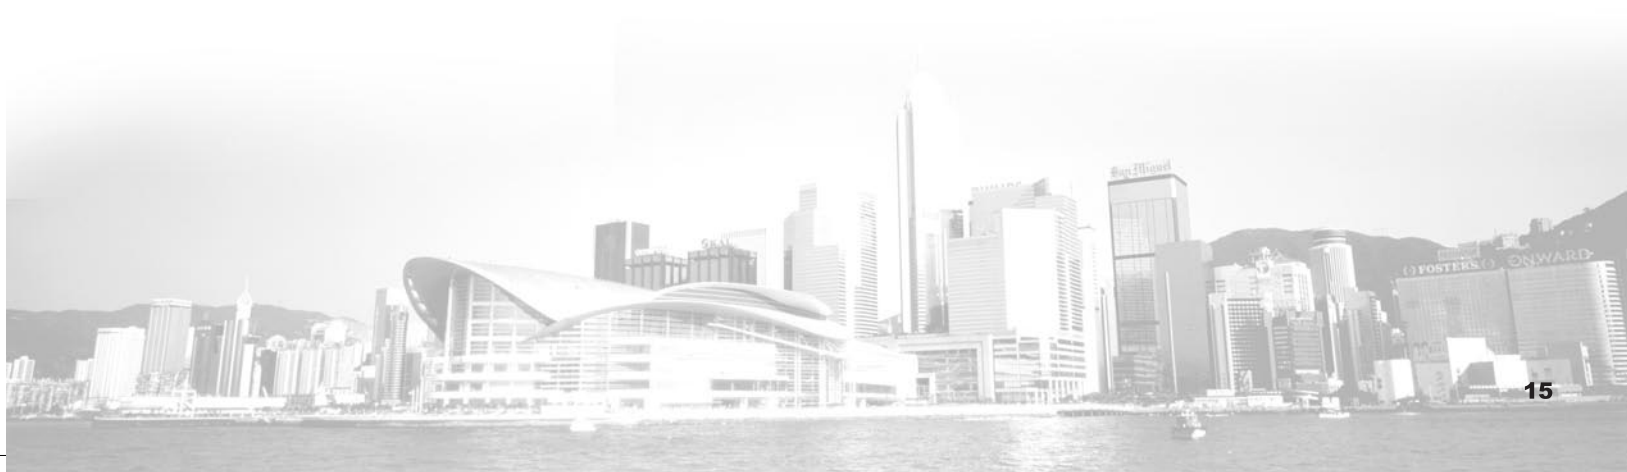

### Favourite Foods

Hong Kong is the capital of Chinese cuisine. Cantonese, the local style, is known for its fresh flavours and quick frying. Steamed fish and barbecued meats are popular dishes. *Dim sum* - or light snacks - is another quintessential Hong Kong dining experience. *Har gau* (shrimp dumplings) and *shiu mai* (minced pork and shrimp in flour casing) belong to such tasty snacks. You can also savour the most succulent Peking duck served with spring onions and plum sauce on wafer-thin pancakes, or spicy Szechuanese or Hunanese fare.

### Tipping

Most restaurants will levy a 10 per cent service charge but waiters, bellboys, porters, restroom attendants and taxi drivers will happily accept loose change.

**2004 WorldSkills General Assembly**

The Chinese Lion is a mythological creature that represents strength, wisdom, good luck, and has the ability to drive away evil spirits, e.g. the legendary monster from the mountains on the first day of the lunar year and destroy villages and crops before returning to its lair. 'Eye dotting' at the start of any major undertaking symbolizes the birth of new vision; and 'Green picking' the acquisition of good luck and prosperity.

*Le lion chinois est une créature mythologique qui représente la force, sagesse, bonne chance, et a la capacité de conduire les spiritueux mauvais partis, par exemple le monstre légendaire des montagnes le premier jour de l'année lunaire et de détruire des villages et des récoltes avant le renvoi à sa tanière. "pointillage d'oeil" au début de l'entreprise principale symbolise la naissance de la nouvelle vision ; et "Green la cueillette", l'acquisition de la bonnes chance et prospérité.*

Der chinesische Löwe ist ein mythologisches Geschöpf, das Stärke, Klugheit, gutes Glück darstellt und die Fähigkeit hat, weg schlechten Geist, z.B. das legendäre Monster zu fahren von den Bergen am ersten Tag des Mondjahres und Dörfer und Getreide zu zerstören, bevor es zu seinem Lager zurückgeht. "Auge Punktieren" beim Anfang der irgendwie Hauptübernahme symbolisiert die Geburt des neuen Anblicks; und "Green Sammeln", der Erwerb des guten Glücks und des Wohlstandes.
